**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My wife and myself like to be able to choose who we have for internet and phone service. We do not appreciate the big companies trying to squeeze out the little local guys. They want to have a monopoly on phone / internet, that is not right. The consumer should have a choice, competition is healthy, it keeps them from raping us on the prices.

Thanks for listening.
